**ADMINISTRATIVE LAW JUDGE'S RULING GRANTING THE DIRECT
ACCESS CUSTOMER COALITION'S MOTION TO INTERVENE**

The Direct Access Customer Coalition (DACC) has filed a motion to intervene in this general rate case proceeding as an active party. DACC states that it is a regulatory alliance of larger customers that have opted for direct access for some or all of their loads, and its members have a direct and significant interest in the outcome of the proceeding. DACC further states that its participation will not unduly broaden the issues already presented or prejudice any party. Good cause appearing,

IT IS RULED that the request of the Direct Access Customer Coalition to intervene as an active party in this proceeding is granted.

Dated May 5, 2005, at San Francisco, California.
